## The Boys of Summer

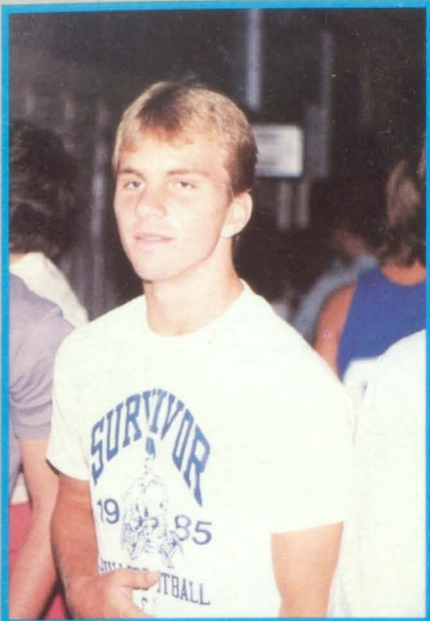

The summer months were filled with lots of fun and excitement. As many of us were soaking up rays at the pool, others were enjoying other fun activities. Drivers Ed. was filled with exciting moments with the fender bender that occurred. The Legion baseball

team had an incredible year that fell one game short of a perfect season. Most of all there was just a lot of bumming around. These are the reasons we can't wait for next summer to roll around.

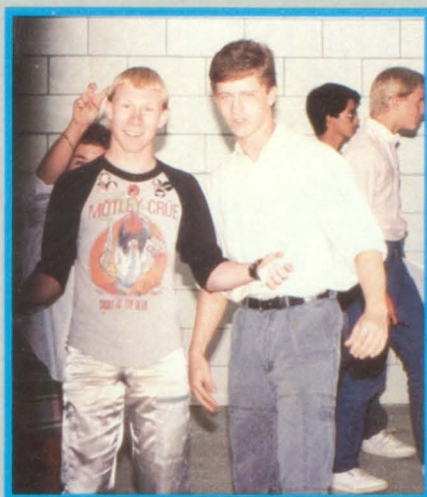

Steve Grossman asked, "Am I good lookin' or what?" "Or what!", we answered.

Left ... Jay Brinkmoeller shows a bit of indigestion after eating in the cafeteria. Below ... Ron Gerdowsky confesses to the crime as Tim Eckstein looks on in amazement.

## Get Into the Groove

The journey back to school was difficult. When the students returned, evolution was not evident ... except for the brand-spanking new face lift the interior of the school went through. Just look at the pictures on this page ... happy, sunny, fun-filled days. This is what a high-school is all about! Would you just look at the happy, elated faces of the characters on this page? These people are having fun!

## Dominates Again

Powder Puff was a little different this year. Instead of the juniors and seniors meeting on the Friday before the Homecoming game, they met the day after.

Both teams did their best, but the seniors were victorious for their second year. The juniors were defeated by a score of 3-0.

# A Fun Sort of Homecoming

The High School held their annual Homecoming parade on September 20, 1985. Members of the Batesville High School Student Council played a vital part in the organization of the parade. Co-Chairmen of the parade were Missy Meyer and Alisa Robertson. The two girls accepted the responsibility of one of the most visible events of the Student Council.

This year the parade began at 6:00 that evening and was led by the Bulldog Marching Band. Following the band were the queen candidates and representatives who made up the court. The class floats then followed for judgement by a select group of teachers. This year the Juniors won the float contest. Also participating were many of the local merchants.

Left ... Charissa DeFrancesco and Brian Schwettman wave shyly toward the crowd. Below ... This crazy bunch of fellows added a little color and uniqueness to the parade.

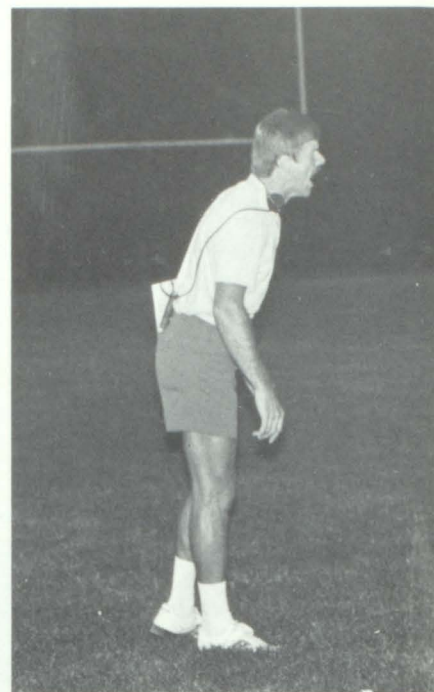

# Homecoming, Bulldog Style.

The 1985 Homecoming game began at 7:30 at B.H.S. Gridiron on September 20, against the East Central Trojans. The Bulldogs came out with high hopes after coming off with a close victory over South Dearborn the week before. Batesville won the coin toss and decided to receive the opening kickoff. The Bulldogs' opening drive was stopped quickly by the East Central defense. On Batesville's first time at defense, Mike Ertel stunned the Trojans with a quick interception early

in the game. The Bulldogs were, once again, held on their second possession by a strong East Central defense. East Central scored first on a 25-yard field goal; and in turn, Batesville tied the score at three with a record 40-yard field goal by Tom Daily. Unfortunately, East Central controlled the rest of the game. The Bulldogs gave it a valiant effort, but allowed the Trojans to score twice more. When time ran out, the final score read 16-3, East Central.

# Homecoming Queen 1985

Homecoming was somewhat different this year. The game was played on Friday night instead of Saturday afternoon. The parade preceded the game as usual. Everyone enjoyed themselves and no one seemed to mind the change.

Halftime came and the tension grew as everyone waited for the queen to be announced. Lisa Nobbe was crowned queen by captains Mike Ertel, Dave Wachsmen, and Tim Hunter. Everyone cheered and millions of pictures were taken to remember this great event.

Everyone had a great time. We all looked forward to next year, but no one will forget this Homecoming.

## Ordinary Day . . . Not Really!!!

"Your high school years are the best of your life," has been heard by every high school student at least once. High school is fun and can be the greatest four years, if you want them to be. At Batesville High School there are many opportunities for fun.

Every week there is some type of sporting event students can watch.

There are also many activities which school organizations sponsor. Dances, pizza parties, skating parties and many other events add to the fun of going to high school.

The truth is high school can be a great time if you go out and get involved.

# Entertainment— African Style

A striking performance by Prince Julius and his Drums of Africa stimulated the B.H.S. student body. This guy really knows how to do the jig. Everyone enjoyed the convocation as the Prince showed us how to get down. Almost everyone got involved with the fun and dancing. Students and teachers were asked up on stage to boogie with the band. Mr. Zimmerman, Mrs. Gray and Mr. Lemen were the only teachers brave enough to actually get up in front of everyone. A wide variety of authentic African drums, rattles, and other instruments were shown and used during the convocation. The students really enjoyed the Prince and hope he may return to B.H.S. to dance again.

# December 23rd 1985— "Oh What A Night"

The annual semi-formal dance was held on December 23, 1985, at Hillcrest Country Club. It started off early in the afternoon as excited students got ready for the big night. Everybody rushed to wash their cars,

get boutonnieres and corsages, and to make sure everything turned out just right for their date. The evening got off to a good start as the couples went out to eat at an elegant restaurant. Then they were off to the Hillcrest Country

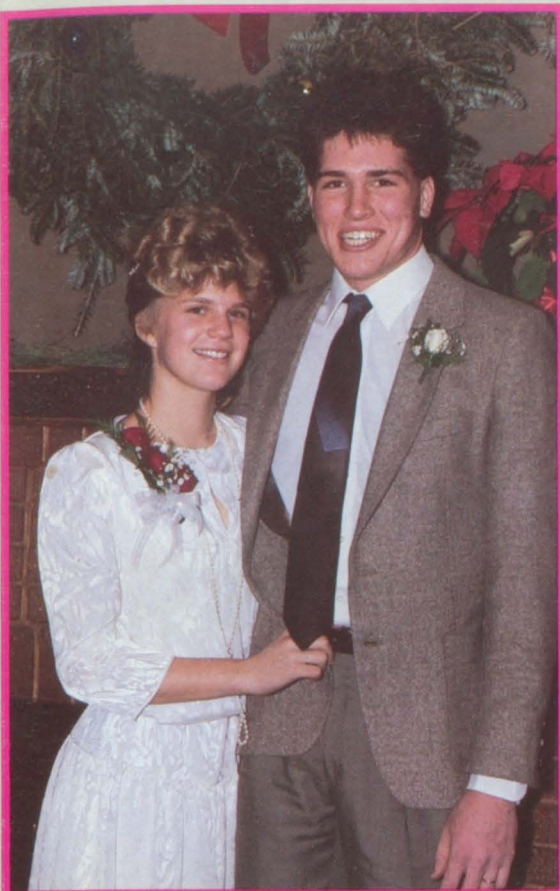

Club. EZ-Trax, a band from Aurora, Indiana, played a wide variety of music that everybody enjoyed. The evening was very enjoyable and everyone had a great time.

# Class of '87

The Junior class started the 1985-86 school year by having the winning float in the Homecoming competition. The theme was "The Old Woman that Lived in a Shoe." The annual Powder Puff game between the Juniors and Seniors resulted in a loss for the Juniors by a score of 3-0. The rest of the year was very exciting and busy. In sports the Juniors came in numbers to support their teams as they electrified the fans. The Juniors were busy preparing for the Jr. & Sr. Prom. They had many fund raising activities to acquire money. The class officers were: President Joleen Hales, Vice-President Missy Meyer, Treasurer Andy Brebberman, Secretary Missy Stirn, and Sponsor Mr. Woodmansee.

# BHS Administration and Faculty—Nothing but the Best

A lot of people go through high school just because they have to. A lot of people wish their high school years away because they just do not like to be 'confined' in a school. Most students at Batesville don't feel this way. "Why?", you may ask. The reason is obvious. The atmosphere at BHS is one in which the students can relax and enjoy themselves while learning at the same time. This feeling is created by the warmth and friendliness which is presented by the faculty, staff, and administration.

Batesville High School is very fortunate to have such a fine group of professionals. The entire staff works hard at making the life at BHS pleasant and educational. Working together as a group, instead of as individuals, is the key to such smooth operations. All of this, plus some fine leadership from the administration makes our school a very special place to be.

# 1985 a Great Year for Cross Country

In possibly its most successful year ever, the boys' cross country team ('The Pack') strove toward the state finals with Coach Raver. John Harmeyer led the boys' team with times around 16:00. He was followed by Tom Mack. Other varsity runners were Tim Mack, John Grossman, Vince Smith, Jeff Huntman, Brad Decker, Chris Stroebel, and Bill Mack. Brian Quick received the Bulldog Award for his determination and hard work.

The Pack ended the season with an 8-4 record. The team won the Ripley County Invitational by placing their seven runners in the top 10, but took second place at Conference, behind South Dearborn. Undaunted, The Pack crushed South Dearborn at Sectional, and brought home a trophy. The team took second place at Regional, qualifying for the 'inescapable' Semi-State meet, where the team placed eleventh of fifteen teams. Individually, John Harmeyer, won the Conference, Sectional, and Regional, and advanced to the State meet as an individual, where he placed 29th.

## Girls' CC

The 1985 Girls' Cross Country team had an okay season with a final record of 15-32. The team finished 12th at the Rushville Invitational, second in the conference and 6th in Sectional. Michelle Voegele was voted MVP once again and also finished 69th in Regional.

# Bulldogs Play with a "Never Give Up" Attitude.

The 1985-86 Football team ended their season with a 4-5 record. The Bulldogs opened the season with an impressive win over the Milan Indians.

Batesville then traveled up to Frankfort only to lose in a disappointing game. Tom Daily saved the team against South Dearborn by kicking a field goal in overtime, to take the win. The team slumped and had three losses against Greensburg, East Central, and Lawrenceburg. The Bulldogs recovered and defeated Brookville and Rushville before entering the playoffs. Batesville then journeyed to Clarksville to face the Providence Pioneers in the playoffs. The Bulldogs were defeated by the score of 28-7.

Many individuals had fine seasons, even though the record doesn't show it.

Mike Ertel and Tom Daily were

named to the All-State first team. Brad Abplanalp and Tim Hunter were named All State Honorable Mention. Many players excelled off the field as well. Tim Hunter and Steve Bryan were

named to the Academic All State team. Toby Rau and Mike Ertel received Honorable Mention. Mike Ertel was also named to the South All-Star Team as a defensive back.

# Tennis Team Has a Smashing Year

Coach Jim Lang led the 1985-86 Boys' tennis team to an overall successful year.

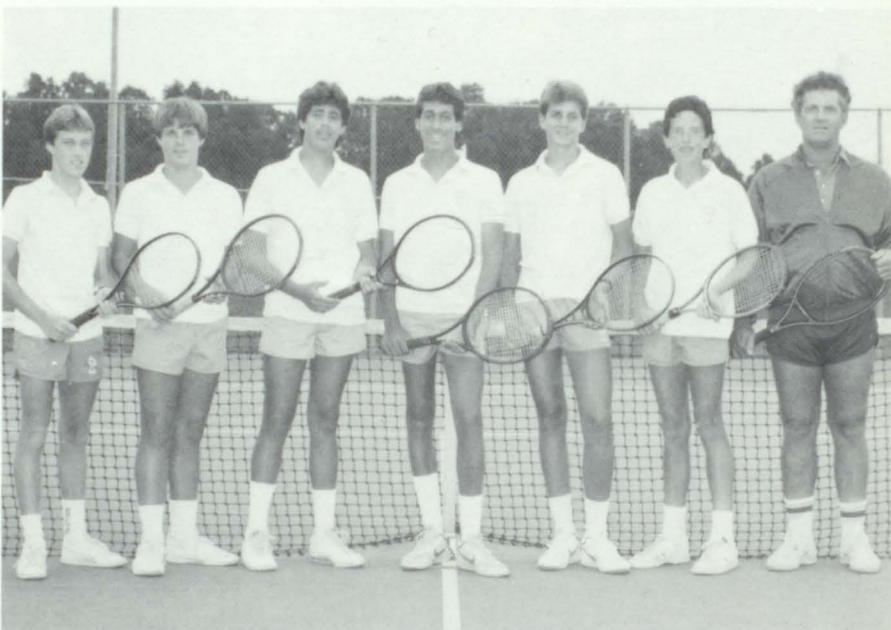

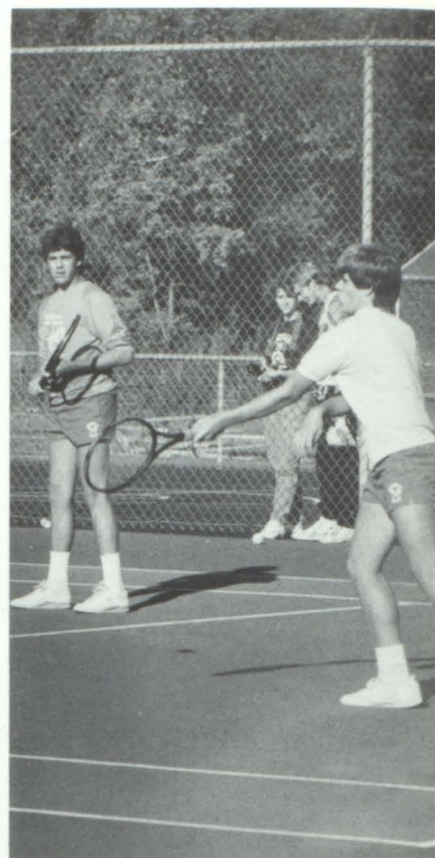

The team had a total of 11 wins and only 4 losses. They were victorious in winning the sectional tournament this year, with a 3-2 win over East Central. Before advancing to the finals, the boys also defeated South Dearborn 5-0 and Brookville 4-1.

Dan Pictor was chosen as the team's MVP and Steve Harmeyer received the Bulldog Award.

## Girls' Golf

The girls' golf team this year finished the best season in BHS history on October 5th. The final record was 23 wins and 12 losses. The girls placed 2nd in the EIAC, 3rd in Sectional and 7th in Regional. This year was the first year a girls' golf team advanced to Regional.

Members of the Varsity team were: Amy Bohman, Kate Ekins, Mary Ekins, Lisa Nobbe, and Alisa Robertson. Reserve players included: Suzanne Butz, Lee Ann Goble, Mindy Meer, Barb Meyer, and Shelly Robertson. Mr. Brebberman replaced Mr. Koch as the

coach and did a wonderful job.

Individually, three girls made All-Conference. They were: Kate Ekins, Mary Ekins, and Alisa Robertson. In Sectional, Kate placed 8th, Mary placed 9th, Amy placed 11th, Lisa placed 14th and Alisa placed 18th out of a field of 46.

The season ended with Regionals held at Greenfield Country Club. The girls enjoyed the opportunity to play in the Regional and hope to return next year with more experience and a better showing.

## The 1985-86 Volleyball Team "Never Surrender."

The 1985-86 Varsity Volleyball season ended with a not-so-hot record of 6-11. The final game was a loss to the I.C.A. Twisters in the Sectional, which was held in Milan.

The Reserve team had an even season with a record of 8-8. They were the runners-up in the tourney at East Central. Quite a few of the incoming freshmen proved they knew their stuff, as they moved up to the varsity squad.

The Lady Bulldogs were coached by Cheryl Parmer and Donna Lamping. Better luck next year, girls!

# Boys Advance to State Competitions

The 1985-86 Batesville High wrestling team had a successful season. They won 7 and lost 7 while they finished 3rd in the EIAC and 2nd in the Sectional. The Bulldogs were a young squad with four senior leaders Wayne Gibbs, Steve Bryan, Todd Hartman, and Chuck Hoegeman.

Batesville had two EIAC champs in

Steve Bryan and Mike Stein, and three Sectional champs in Stein, Bryan, and Gibbs. Gibbs was also the Regional champion, finishing 3rd in the Semi-state and qualified for the State Championships held at Market Square Arena.

# Another Fine Season for the Lady Bulldogs

The girls' varsity basketball team finished their season with a convincing victory over Brookville. Their overall record was 11-7. The girls fell short in the Ripley County Invitational, losing to South Ripley in the first round. Their utmost victory of the season was against Laurel, winning 72-27.

In Sectional action, the Lady Bulldogs lost an extremely close game to Jac-Cen-Del. The ladies were defeated by 1 point, 49-48. The Lady Bulldogs were named co-conference champs alongside Greensburg. The reserve girls had a winning season with a record of 10-7. The girls put up a good fight, but were defeated by South Dearborn in the Reserve Invitational. ## Bleacher Creatures

This year Batesville High School tried something new in order to raise spirits at the basketball games. BHS had been pretty well known for their lack of school spirit at basketball games. This year a couple of seniors, the cheerleaders and Coach Cochran got together and formed the Bleacher Creatures. The group was a big hit in the beginning. T-shirts were sold, and it looked like it was going to be a great year for basketball and school spirit.

Well, basketball season began and not too many of the Creatures came out to fill a cheer block. The idea was kind of forgotten as the season pro-

gressed. But, as soon as all hope seemed lost for the Bulldog's cheering section, tournament time rolled around. As impossible as it might have seemed, the BHS cheering section was packed both nights of the Sectional. The story gets even better. The fans were dressed in Batesville blue that filled the adult section. With painted faces, pompons, and streamers the students were unbelievable. The best part about all of this hoopla was that BHS students realized how much more fun basketball, and all sporting events for that matter, could be if they get involved.

# Boys Basketball

The Batesville Boys Basketball Team finished with a 13-9 record losing to the Trojans of East Central in the final game of the Sectional. They finished third in the conference with a 3-2 mark. The Bulldogs were led by Seniors Luke Billman, (20 points per game, 151 total rebounds, and shot 54%

from the field), John Grossman (8 points per game, 108 total rebounds, and shot 46% from the field), and Mike Ertel (6 points per game, 91 total rebounds, and shot 39% from the field). John Grossman received the Bulldog Award. He led the team in assists with 92 and was second in re-

bounding. Steve Galle received the free throw trophy with 76%. John, Luke, and Mike all received all academic honors. John and Luke were All-EIAC. As well as being the team's most valuable player, Luke Billman was the MVP of the conference.

The Batesville Reserve Basketball team finished with a 12-8 record. They finished 3-2 in the conference and won the Lawrenceburg Invitational beating South Dearborn and then East Central in the finals. Greg Weigel led the Bulldogs with a 10 point per game average, 39 steals, and a 48% field goal percentage. Also leading the Bulldogs were Dave Wolferest with a 38% field goal percentage and 9 points per game and Dan Baumer with 60 assists and 5 points per game.

The BHS cheerleaders this year were: Captain, Terri Owens, Mary Jo Dickman, Colleen Kopp, Joleen Hales, Cristin Signom, Mindy Meer, and Millie Werner. They attended the U.C.A. cheerleading camp during the summer at I.U. and returned with many new cheers, jumps, and acrobatics. The school was decorated with their creative posters throughout the year and they assisted in building the great school spirit which dominated during Boys Basketball Sectional Week.

# Girls' Track Races Ahead

During the season, the team won four meets and lost one. They placed second twice. At the East Central Invitational and the Ripley County Invitational meets, the girls placed second. Overall, the team finished fourth in the Conference and fourth at Sectional out of seventeen teams.

Jessi Parmer holds the record for the 100M and the 200M at the Ripley County meets. She also broke her own individual record in the 200M from 26.9 to 26.6. She broke the 100M record this year running 12.1 at Columbus North.

The 400 relay team, consisting of Julie Amberger, Cindy Simmermeyer, Lori Meyer and Jessi Parmer, broke the school record at the conference meet by running 51.7. They broke the record again by running the relay in 50.9 at Sectional.

Five team members qualified for Regional competition. Lisa Nobbe in the high jump. Jessi Parmer in the 100M, 200M, and the 400 relay. The relay team also qualified.

Jessi Parmer qualified for the State Finals in the 100M. She did a great job at State and was voted MVP by her teammates.

## Another Great Year for Boys' Golf

1986 proved to be all that was anticipated for the boys' golf team. The pre-season appeared rather bleak because of the lack of a coach, but the last minute hiring of Coach Dunker turned out to be one of the best decisions that could have been made. Not only did Coach Dunker come out of retirement to offer his unmatched wisdom, but also he led the boys to an EIAC victory and was the conference Coach of the Year. The boys went on to place fourth in the Sectional to finish the year.

Individually, Mike Fleck was named MVP. As a sophomore, Fleck placed second in Conference, first in Sectional, and eighteenth in Regional. The Bulldog Award was given to Mark Dreyer for his dedication and admirable ambition to do well. The team was assisted in coaching by golf professional Paul Bessler, a former Bulldog himself. Mr. Bessler provided a lot of pointers for the boys that only his type of experience would allow.

The potential for a stronger team next year is expected.

# What a Year for Girls' Tennis

The girls' tennis team had quite a season this year. With only one senior on the team, the girls looked to the junior class for leadership. Mary Ekins led the squad at the #1 singles spot. Cristin Signom played second singles and third singles was filled by Shelley Robertson. The doubles teams were Joleen Hales and Heather Drockelman and Missy Meyer and Alisa Robertson.

The team was coached by Mr. Jim Lang and later in the season by Mr. Fred Sagester.

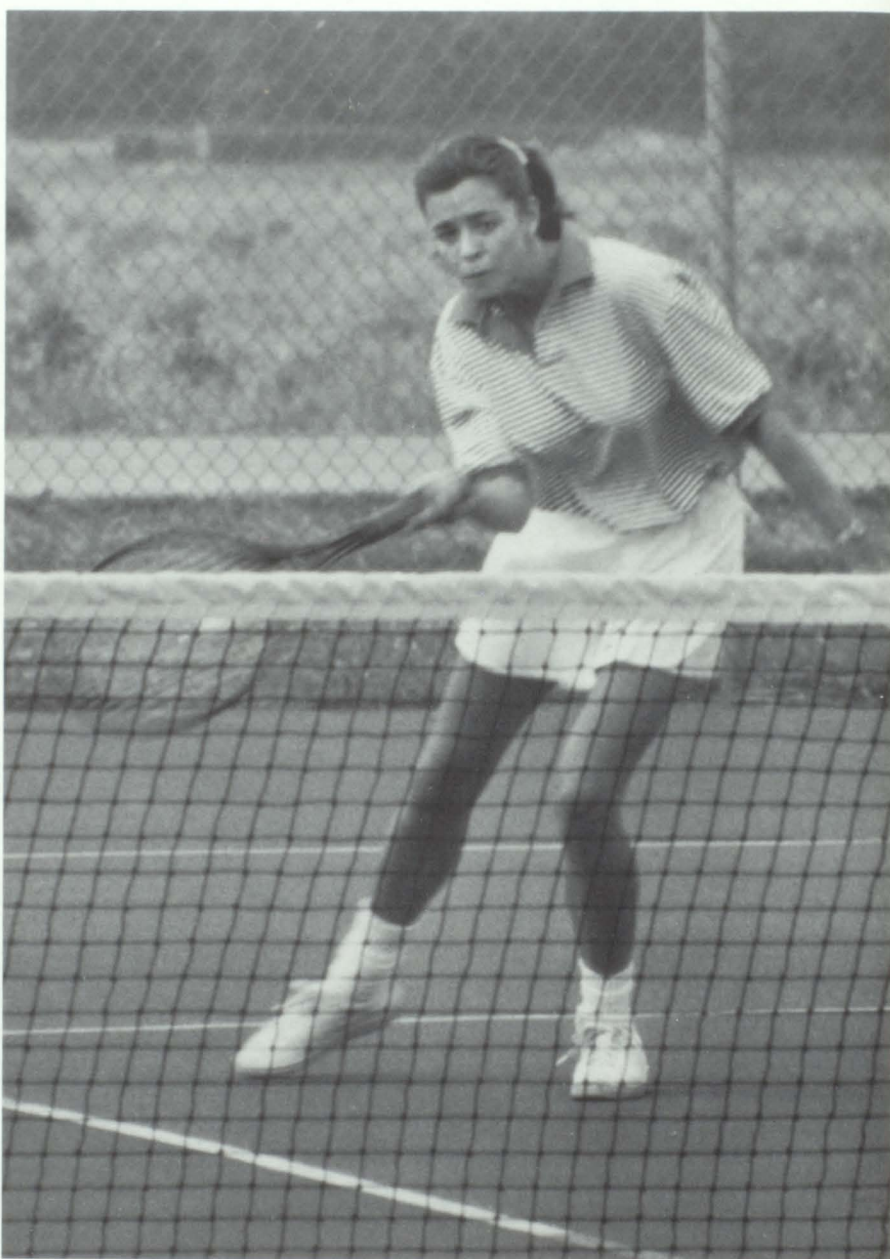

The record was not quite as impressive as the girls may have liked. The girls had a lot of matches in which they only lost by one, but the record still stands at only two wins for the season.

What made the '86 season such a

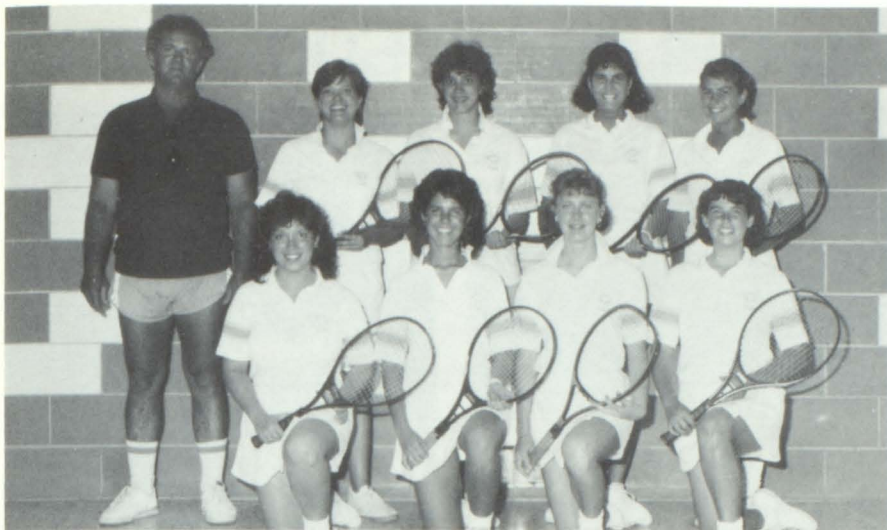

year for girls' tennis? It was midway through the season that the team experienced a change of coaching. Mr. Lang's resignation surprised many people. Fortunately, Mr. Sagester, the former coach, was willing to complete the coaching responsibilities for the rest of the season. The 1986 season is one that these girls will not soon forget.

# BHS Baseball Nearly 500

Varsity baseball coach John Seright led his team to a 12-13 season, finishing 4-5 in the E.I.A.C. Randy Barnhorst was the team's MVP, as well as an All-Region All-Star, and the team's leading hitter, hitting a .367 average. The Bulldog Award went to senior Mike Ertel. All-E.I.A.C. recipients were Luke

Billman, Mark Martin, Steve Galle, and Andy Brebberman. All-State Academic Honorable Mention winners were John Hammerle, Luke Billman, Mike Ertel, and Toby Rau. Outstanding homerun hitters were Steve Galle and Mark Martin, with six and four respectively.

# State Champions!!!

Batesville had a state basketball victory in 1986. Although it wasn't a "Bulldog" victory, it will long be remembered by the members of the Bruins, the St. Louis CYO basketball team. The Bruins won the State Basketball Tournament this year after defeating many difficult and challenging teams.

Left . . . Coach Fledderman gets carried off the courts by his players. Below . . . John Hammerle kept the enthusiasm at a peak.

Under the guidance of Coach Jim Fledderman, the team defeated teams from Terre Haute, Evansville, and Indianapolis. They had several moments when they could have given up hope, but they managed to pull together and blow away the other teams.

The weeks in which the tournaments took place will be remembered by many for a long time. During this time a real effort was made by everyone involved, including the coaches, the players, their families and fans. It certainly paid off.

# BHS Student Council Has a Fun Year

One of the strongest non-athletic organizations at Batesville High School is the Student Council. This group is responsible for many of the events that take place through the year. Meetings begin early in the summer with making plans to conduct the annual Hill-Rom Day at Liberty Park. They also prepare a majority of the events that are associated with Homecoming festivities. During the year the Student Council sponsors dances, special activities like Student Activity Day, Teacher Appreciation Day, and special lunches in the cafeteria.

The Semi Formal Dance in December is the entire responsibility of the council. In the spring, the council selects members to represent BHS at the state level through conventions which are attended by over 100 schools. Towards the end of the year, the group has the picnic for the teachers, and activities planned for the whole student body. All of these things, plus more keep this group very active and very influential in the life at BHS.

This year the Student Council was led by Chris Stroebel, President; Harry Robben, Vice-President; Lori Meyer, Treasurer; and Gena Zeigler, Secretary. Mr. Brelage served as sponsor for the group and provided some insight and wisdom for the group.

# Drill Team and Majorette Corps

The drill team and majorettes make up the visual part of the band. Both auxiliary groups had a very successful year. It started out with camp during the summer. This year the girls attended a new camp in Dayton, instead of the camp at Indiana University. This new camp combined both majorettes and drill team. The groups performed at all home football, basketball, and some girls' basketball games. The drill team also attended a contest in April and did a fine job. Captain for the drill team was Gena Zeigler and assistant captain was Jessi Parmer. Feature Twirler was Lisa Nobbe and majorette captain was Renae Shane.

# Batesville Marching Band

This year the mighty Bulldog Band marched to the beat of a new drummer. Robert Gray was the new director for the organization. The band, again this year, showed their musical talent by participating in many parades, like Homecoming and the Pumpkin Show, and at several halftime performances

for the football and basketball teams. They also did a number of new activities. One of these was the ice cream social which was held at Liberty Park.

When the "Beat Goes On" the band was usually there. At the games, festivals, parades, and on somber occasions like graduation, the band kept

a beat to tap your feet to. Besides the Band Boosters, the band supported itself by selling magazines in the fall, cheese and sausage at Christmas, and pizza kit sales through the year.

The Drum Major for 1985-86 was Debbie Krieger.

## Music to Our Ears

The Jazz Band, formerly called the Stage Band, was a vital part of Batesville High School's music program this year. Under the direction of Mr. Gray the group performed at many functions other than the basketball games. The group performed often for the Batesville Middle School. They also entertained the community with many benefit performances. The Jazz Band has great potential to become a strong musical aspect for BHS.

# National Honor Society

To become a member of National Honor Society, one must hold a 95% average in the high school curriculum and be approved by a teacher vote. Among the many qualities a member

must possess are leadership, service and scholarship. The sponsor was Mr. Bob Brokamp. Senior members are recognized at the graduation ceremonies by their yellow collars

worn on the graduation gown.

As you can tell by the limited names below, being chosen for National Honor Society is an honor that only a few students earn.

# Academic Team

The Academic team was started in 1986 and was led by Mr. Koors. Quite a few of the so called "Brains" of our school participated in competitions with each other, faculty members, and teams from other schools fielding questions in science, English, social studies, math, fine arts, and a general category. Our club hosted an EIAC

competition in May. The best we did was a second place in the Language Arts category. One of the highlights of the year was the Academic Hallmarks-National Computer Competition that allowed our team to compete with over 1600 teams across the country. Our club placed 18 in Indiana. Good luck next year!

# Spanish Club

The 85-86 school year was another good year for the Spanish Club. Many exciting activities were sponsored by the club. The group went on many field trips to places such as *Garcia's Restaurant*, roller skating, and to King's Island. The group sponsored many bake sales and sold candy at ballgames in order to raise money. Throughout the year, they held a raffle and sold gifts to raise money.

The main event for the Spanish Club this year was the trip to Mexico over Spring Break. Many hours of preparation took place for the trip. Intense study of Spanish communication and how to survive in a Spanish speaking country was necessary. The trip was a great success and something that will be remembered for a lifetime.

Leadership of this year's club was held by Jennifer Hales as President, Kelly Ach as Vice-President, Leah Hafer as Secretary, and Amy Ilderton as Treasurer. Mrs. Seright was, once again, a very dedicated and hardworking sponsor.

## Mexico Memories

Several members of the Spanish Club, other students and parents journeyed to Mexico over Spring Break. Not only did they get to leave school for a couple extra days, but also

they had the chance of a lifetime. Many stories circulated upon their return, and it sounded like they all had a great time.

Above Left . . . Many students purchased trinkets and other items for family and friends back in the states. Above . . . Tammy Vernon makes that last minute check before she goes to dinner.

## Campus Life

Campus Life is in its second year at Batesville. Since beginning last year, the club has become a club where students feel comfortable in a relaxed atmosphere where they can discuss their problems and share experiences with their peers.

This year the Campus Life Club went to Florida for Spring Break.

## BHS Key Club

Manhours for mankind was this year's Key Club motto. The Club now, three years strong, showed its dedication to the community by having a canned food drive at Christmas and giving the food to those who are in need around the Batesville area. The Club, also, baked cookies and sold them at the Consumer Show to raise money for Riley's Childrens Hospital in Indianapolis. The Batesville club had the second largest donation to this cause in the whole state, donating over two hundred dollars.

# ICT/ICE and VICA— Job Training in High School

VICA (Vocational Industrial Clubs of America) is the club formed for students enrolled in industrial, trade, technical, and health occupations. The club work is an integral part of the curriculum and all students locally who are enrolled in ICT/ICE are members. The purpose of the club is to develop leadership, to learn occupational skills, to perform civic and community service, and to participate in recreational and social services.

The local VICA Club has two sections which have officers and the officers for

the combined club. The section officers for this year are: Presidents—Larry Hammond and Gary Belter, Vice-Presidents—Bryan Fledderman and Mark Linkel, Secretaries—Ann Radvansky and Carla Simmermeyer, Treasurers—Dave Grieshop and Hopeann Dudgeon, Reporters—Betty Gunter and Tom Volk, Parliamentarians—Chuck Groce and Mike Amberger, and Sergeants-at-Arms—Randy Gunter and Fred Miller.

The Club Officers are: President—Larry Hammond, Vice-

President—Fred Miller, Secretary—Ann Radvansky, Treasurer—Ted Gardner, Reporter—Carla Simmermeyer, Parliamentarian—Chuck Groce, and Sergeant-at-Arms—Todd Schutte.

The Outstanding ICT Senior is Jim Davis and the Outstanding ICE Senior is Gretchen Prickel. Larry Hammond and Ted Gardner earned the Indiana Statesman Award this year at the Officers Leadership Conference. Bob Laugle competed in the Indiana VICA USSO Contest in Prepared Speech.

## Thespians Have a Flair for the Dramatics

The Thespian Club put on the classic production of Rodgers and Hammerstein's *Cinderella*. A lot of work went into the performance on and off the stage. The sets were the most elaborate in recent years. The cast and crew put in a lot of work under the direction of Mr. Hayes and Mrs. Gray. Lori Green and Ken Schwartz did an excellent job as Cinderella and Prince Charming. *Cinderella* was a reproduction of the old children's fairy tale.

Brad Decker and Sandra Peetz played the parts as the king and queen. The wicked stepsisters and stepmother were played by Cindy Wirth, Erin Wiley, and Tammy Holzbacher. The play was a big success as it came together in the last weeks of rehearsal. It showed what people can do when they are dedicated and work together. Congratulations to all of the singers and dancers.

# Scholastic Awards

The 27th Annual Scholastic Awards program was held on April 30 to honor students for outstanding scholastic achievement. Students are honored for making the semester honor roll, as well as the 4th and 5th six weeks grading periods. The program is sponsored by the Batesville Jaycees and is the highest academic honor accorded by the Batesville High School.

Recipients of the first year certificates were Juniors: Pete Dall; Sophomores: Tim Bonafair, Duane Brescia, Ann Hahn, and Barb Schrader; Freshmen: Steve Amrhein, Chris Bessler, Jeff Blum, Tony Dall, Amy

Fehlinger, Gwen Gutzwiller, Jason Hales, Dan Harmeyer, Mark Harpring, Mark Krieg, Sheryl Linkel, Shelly Meyer, Molly Sarringhaus, John Siebert, Mark Siebert, Kristen Smith, John Stroebel, Connie Thornsberry, Mike Vierling, Debbie Voegele, and Erin Wiley.

Recipients of the second year certificates were Juniors: Tony Britch, Tina Dickman, Scott Fasbinder, John Harmeyer; Sophomores: Tom Daily, Lee Davidson, Eric Meyer, Tracey Meyer, John Moore, Maureen Schumacker, and Jenny Wilhelm.

Recipients of the third year

certificates were Seniors: Brad Decker, Greg Schrader; Juniors: Jeff Bohman, Andy Brebberman, Steve Galle, Jeff Huntman, Mark Martin, Barbara Meyer, Trevor Moeller, Jim Walke, and Rick Wilhelm.

Recipients of the fourth year certificates were also presented with a plaque. Plaque recipients were Steve Bryan, Charissa M. DeFrancesco, Kate Ekins, Julie Elder, Sandy Grieshop, John Hammerle, Tim Hunter, Debbie Krieger, Lori Meyer, Amy Naegele, Lisa Nobbe, Julie Sarringhaus, Chris Stroebel, and Mark Timpke.

# Future Farmers of America

The Batesville Chapter of the FFA had a great year. Not only did they do well in contests and judging, but also took several interesting field trips, like the Farm Progress Show at Knightstown. The Indiana FFA is the

only state organization that owns and operates their own FFA Leadership Center. The moneymaking projects that the members helped with were the FFA farm plot, the apple and cider sale, and the Vitality seed sales. They spon-

sored the FFA calendar, assisted in parking cars for ball games, and attended the Farm City Week Banquet to name a few of the many activities that members could enjoy.

## Computer Club

The Computer Club was the newest addition to extra-curricular activities added during the year. This group did many visible projects throughout the year. One project was the personalized computer Valentine sale. Mostly the Computer Club got together for the fun of learning the various functions of the computer. These activities were visible throughout the school in the form of posters, signs, and banners. The Computer Club is definitely a sign of Batesville High School's modern and futuristic attitude.

This year Junior Achievement underwent a drastic change. They went from having only one company for the whole year, to companies that were for one semester, doubling their experiences. JA is now not allowed to use power tools, so this had a dramatic effect on the products that they could produce. The club showed high school students firsthand how a real company worked, since they actually formed an operating company.

## Cafeteria Workers

Left . . . Front: J. Carmela, B. Dulin. Back Row: J. Schantz, W. Trowbridge, A. Ferguson, J. Raab, T. Amberger, T. Woodruff.

Working in the school cafeteria doesn't seem to be the funnest way to spend your high school years. The high points are there, though, and it is the little rewards that keep the job interesting.

This year's cafeteria workers were once again an invaluable part of the school's operation. The assistance they provided, whether it was serving food, cleaning trays, or washing tables, was definitely something BHS could not do without. The crew learned to work together and some new and lasting friendships were formed.

# The Beat Goes on . . . and on . . . and on

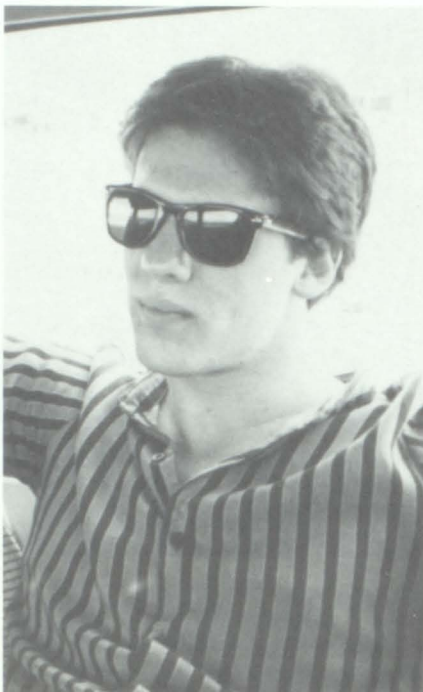

Hours of work have gone into preparing the 1985-86 Bulldog. Editor Kate Ekins, alias God, led the staff through several crises, including the first signature deadline, delayed color pictures, and general class craziness.

The junior and senior members devoted their own special talents to help make the Bulldog a success. Who

can forget Brad's art work, Donna's business expertise, Julie's computer knowledge, and Mr. Lemen saying, "I need somebody to do something!"

None of us will forget how long it took Todd to remember to bring his cake. We are still looking for Greg's. But the beat goes on even when school ends, long into the summer.

# Student Activities Day

If there is one thing that all the students look forward to every year it is that day in the spring called Student Activity Day. You can choose from several different activities such as baseball, tug-of-war, soccer, tennis, sunbathing, water balloon tossing, or planting a whipped cream pie on the face of your favorite student council member. While some students take part in several of these activities mentioned, some enjoy the day playing frisbee and getting caught with water pistols.

Another part of the Student Activity Day that has become very popular is the slave auction. The student council members and several teachers offer up their bodies to help raise money for student council.

# Making a "Sea of Love"

The Class of 1987 worked very hard all year to create their Prom theme, "Sea of Love." With the leadership of class president Joleen Hales and class sponsor Mr. John Woodmansee, the juniors organized, planned, budgeted, reorganized, replanned and finally

created what turned out to be a beautiful event for everyone.

Through the year, the juniors raised money by selling candy and sponsoring car washes. They made the most of their funds and had a wonderful prom for the Senior Class and their guests.

Top Right . . . Mark Mobley and Todd Simpson get a little conceited when asked, "Who are the best streamer hangers?" The "extra hand" belongs to Kurt Enneking who had to be edited from the picture. ## And to the Class of '86, We Dedicate This Prom

April of each year brings a lot of exciting things. Spring sports begin, the snow is finally over, warm weather arrives, and everyone's attitude seems to be just a little more pleasant. One of the main events of every spring in every high school is the Junior-Senior Prom. This year at Batesville High School, the tradition was continued with as much style and festiveness as ever.

April 19 was the date and what a day it was. Many students spent the day preparing for the night. Some of the more important duties for the day were picking up the flowers from the florist, getting the car washed and cleaned, collecting the tuxedos, and, of course, getting to the beautician on

time for your appointment.

After all the hustle and bustle of getting ready, the night began. Many students went out to dinner at an elegant restaurant. Doors opened for the dance at 8:00. Music by *The Edge* began at 8:30. By 9:00 the gymnasium was packed with students and everyone was having a great time despite the heat and humidity that caused the streamers to sag. The time rolled on and around 11:00 the 1986 Prom King and Queen were announced. This year Lisa Nobbe and Luke Billman were the recipients of this honor. At 12:00 the band had stopped and everyone had gone. Another one of the precious memories of high school had been made.

Top . . . Poor Jennifer Hales, she can't tell which of the Mack twins is her date! Above . . . Tim Salatin is just waiting for the band to play "Old Time Rock 'n Roll" so he can practice his Tom Cruise imitation.

# The End of an Era

It is difficult to summarize the last four years of one's life. There are so many good times and some bad times as well. Yet, the four years that are spent in high school are special. So much change takes place during this time that this era is always remembered.

May 24, 1986, marked the end of an era for the members of Batesville High School's Class of '86. It was a great ceremony. Terri Owens began the evening with an invocation. Speeches were then given by classmates Tammy Wolff, Ken Schwartz, Angie Volk and Janet Merkel. Bob Laugle and Lori Meyer brought back some fond memories during their speeches about some of the memorable moments of the past years. Lisa Nobbe and Sharon Freese followed with words of inspiration for their classmates. Then the Class of

1936 was introduced. One member who spoke on behalf of the class wished the new graduates well and told them to "Always be happy."

The ceremony then proceeded to the presenting of diplomas and announcement of the class valedictorian and salutatorian, Mark Timke and Amy Naegele, respectively. The ceremony ended with a benediction given by Sandy Grieshop.

Graduation symbolized the end of a very special time in all of the Seniors' lives. From now on the teachers will be harder, the days will seem longer and the challenges will be far greater.

The Class of '86 chose a white rose as their class flower. Their motto was "A Journey of a Thousand Miles Begins with a Single Step." The song that the class chose, and a few of the graduates performed, symbolized the true meaning of what their high school

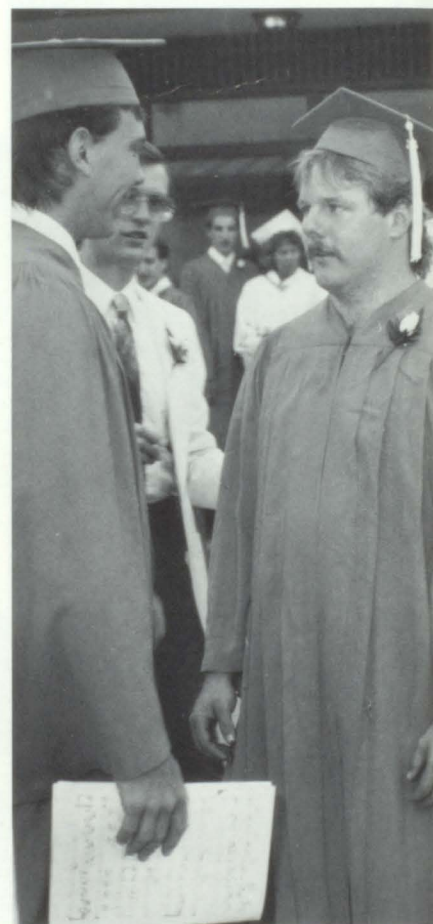

career was like. *With a Little Help From My Friends*.

Each year every class has its distinctive qualities and aspects which make it original. The Class of '86 was not the most athletic or the most intelligent. Nor were they the worst class or the best behaved. The graduates this year did not find it important to be remembered as something vague and general. Each member was an individual and, therefore, made the entire group unique.

The Class of '86 will be special in the hearts of many people, such as teachers, parents, friends and so on. For those who were a part of this class there was something about it which was hard to describe. A feeling of closeness and togetherness which will remain in our minds and in our hearts forever.

Above . . . Several classmates performed two selections during the ceremony, *With A Little Help From My Friends* and *That's What Friends Are For*. Right . . . Harry Robben and Dave Wachsmen just can't believe this night has finally arrived.

Mr. Robert Brokamp taught at Batesville High School for 36 years from 1950 to 1986. He had taught two generations of students and retired before the next generation appeared in his classroom.

His retirement party is one that will long be remembered. Besides being "roasted" by family and friends, he was presented with several gifts, including an American flag and pole from the faculty and staff. A trio composed a ballad for him played by Leon Enneking, Charlie Zimmerman, and John Woodmansee. We wish Mr. Brokamp the best in their years of retirement ahead.
